555 W Monroe
Chicago, IL
And via WebEx

Task Force Attendees:

Angie Aramayo
David Beck
Jason Bowen
Jennie Crichlow
Joseph Fatheree
Jerry Follis
Jill Gebke
Sanjay Gupta

Jason Helfer
Sen. Robert Peters
Rep. Abdelnasser Rashid
Deidre Ripka
Richard Shavzin
Matthew Van Hise
Dimitry Zhdanov

Agenda Items and Key Discussion Points:

1. Welcome & Introduction of Task Force Members

Rep. Rashid welcomed everyone and asked that everyone introduce themselves. He discussed the purpose and expectations of the task force,

2. Presentations (speaker bios on page 2)

a. Suresh Venkatasubramanian – Introduction to AI: Definitions and Distinction

b. Robert Weissman – Panel: AI, Democracy & Elections

3. Public Comment

Sarah Murman provided comments on how AI impacts students. Primary concern is how AI can cheat students out of opportunities such as bias in programs that help select candidate polls for scholarships and colleges or how teacher of color may miss out on opportunities to advance in their careers.

Action Items

Task force members asked for recommendations for future panels.

Next Meeting Date: TBD

Additional Notes:

The meeting was adjourned at 12:13 PM by Rep. Rashid
